To procede with this it would please the tribes if these people in authority would come to ekwok. We request that they make the time for the tribes. Dillingham is a city of sorts and does not truly reflect the traditional life style. WE respectfully ask that these chiefs come and meet ours. It would not do these people any good if they dont visit the area they will be making dicisions about. If they could get there boots wet and come out of the suit lifestyle we believe that they could make a more rational decision concerning the subsistance lifestyle of the Alaskan people. I cannot see any reason why these cheifs cant make time for the tribes. Rick

Subject: Regional Administrator Visit to Dillingham - Wednesday July 28th

Good Afternoon Rick,
EPA is wondering if the Ekwok Village Council is available to meet in Dillingham on Wednesday July 28th, 2010. The Regional Administrator (RA), Dennis McLerran, is accompanying Administrator Jackson on her trip to Alaska. Assistant Administrator Michelle DePass (Office of International and Tribal Affairs) along with a few others are also planning on being on this trip. As soon as the list of people is final I will send it to you.

I look forward to hearing from you soon.

Sincerely,

Tami
